

# CARRIGALINE FARMHOUSE CHEESE

**Spanning two generations, handmade cheese from the O'Farrell Farm does not come any better than Carrigaline Farmhouse Cheese.**

## OUR CHEESE:

Superb milk from a single herd of grass fed cows in the southern county of Cork gives Carrigaline depth of flavor and quality beyond most others. Our bulk cheeses will compliment any deli counter and our gift packs combine artisan quality with a unique Irish appearance.

100% Irish milk.

Vegetarian rennet.

No artificial additives or preservatives.

Shelf life of 9 months on bulk cheese, 6 months on retail packs.

We are BRC certified.

**Carrigaline Original** is an elegant, semi hard cheese with an incredibly satisfying piquant finish. In the style of a Havarti, this handmade cheese is the result of the best of creamy milk from lush Irish pastures.

Our **Carrigaline Seaweed** cheese brings the nutrients of the super food Dillisk (Palmaria palmate) to bear on our limestone soil derived cheese. The result is a must taste situation!

**Carrigaline Garlic & Herb** brings a savoury twist to the Carrigaline recipe. A firm yet not overbearing garlic flavor makes this cheese a winner in the kitchen.

**Carrigaline Cranberry** cheese uses a modest percentage of Cranberries to allow the cheese to have its say and without being overbearing. The interaction of the cranberries changes the texture of our cheese, the result is a far more sophisticated cheese than one may expect.

**Carrigaline Beech Smoked** is tinged with an elegant smoky flavor. We use ancient local beech in the process which we craft on the farm as the cheese dries. This cheese has won many international awards over the years. Taste and enjoy!

**Carrigaline Blueberry** cheese delivers an explosion of brilliant Blueberry fragrance to the palate. For those who enjoy fruit with their cheese this is the cheese you have been waiting for! The fruity nature of the whole and chopped blueberries juxtaposed with the acidity of the cheese is a power packed combination.
